On-line Art Show Results

The Bouddi Society hopes that you enjoyed
the Art Show with a difference.

The On-line Art Show held from 2 to 10 October, 2021 was a great success.

During the Show over 1,200 people visited the website and the results:

Total sales of \$11,214

- 38 artworks sold. Of these, 24 were individual pieces and the other 14 were limited edition prints.
- 18 of the 32 exhibiting artists sold at least one piece of their artwork

These results are basically the same as Art
Shows held at the Wagstaffe Hall over the
last few years.

Although the Show has finished, the website
will remain open for a few more weeks.

President's Notes

Wagstaffe Hall now open. With the easing of Covid restrictions we are pleased to be able re-open Wagstaffe Hall for community events, meetings and regular weekly activities. Capacity limits apply under the 4sqm rule which allows 30 people in the main hall area, plus a few more on stage, in the kitchen and on the veranda. The 2sqm rule applies on the lawn area, allowing 28 people there. QR check-in and double vax are requirements for entry.

New AV Equipment in Hall. The hall now has new AV equipment to support musical performances and presentations. The installation suffered Covid delays but is now operational with fabulous results.

Administrator Visit 8 November. Our first "live" Community Meeting will be held on Monday Nov 8 at 7:30pm and we are pleased to have Central Coast Council Administrator Mr Rik Hart as our guest speaker. Covid capacity limits will apply, so please be early if you wish to attend.

BBQ Area near Surf Club. The Association has had funds set aside for some time to co-fund works to make the grass picnic area near the surf club more attractive to users. The first stage will see a BBQ and shelter erected by CCC in the vicinity of the old picnic tables. If they keep to schedule this should be ready for use in December.

Half Tide Rocks Track Upgrade. Another long standing project for the Association is also gaining traction. We were pleased to be advised by National Parks that they will shortly commence design works for an upgrade to the Half Tide Rocks Track all the way down to the rock shelf, and seek tenders for construction accordingly. The Association has also offered to co-fund these works with National Parks from reserves set aside for this purpose.

There's lots happening for us to look forward to as summer approaches and Covid woes recede. Bring it on! In the meantime, please stay safe and work within the rules as they relax.

REFERENDUM POSTPONED

The Australian Election Company manages the election process for council elections, union elections and other things. Earlier this year they made a request to hire Wagstaffe Hall as a Polling Place for a Referendum to determine the future number of councillors for Central Coast Council.

While LGA elections for other councils are to be held in December, the arrangements for return of Central Coast Council are still to be determined. The referendum itself has now been postponed further to a date to be advised..

As such, the request to hire the hall as a polling place was withdrawn. The Australian Election Company took the opportunity to thank the Association for working with them, and welcomed the opportunity to hire the hall again, if required, for future elections.

Elections are a good source of income for the Wagstaffe Hall and the Association welcomes the use of the hall for that purpose. It is hoped the Central Coast Council will soon be in a position to hold its referendum and election as it emerges from administration.

Good news! KNIT Two—CHAT Too

We can resume knitting on 26th October as long as we comply with the Health guidelines at the Hall.
ie. Must be double vaccinated (I'm expected to check) and sign in with the QR code. We need to wear masks indoors unless eating or drinking. Hopefully the weather will be nice enough for sitting on the veranda and you'd only have to wear a mask if you wish to.
Looking forward to seeing you all then.
Happy knitting,
Helen
