Return on 6th January 2023

Season's Greetings

This will be our last TT edition until early February 2023. We hope that the festive season will be kind to us all this year after the Covid upsets of the past two years and that the weather will behave appropriately to enable us to enjoy it.

On Thursday January 26 we will again be holding our Breakfast by the Bay for Australia Day. This time we will make use of the Wagstaffe Hall and the surrounding area for a brief ceremony and entertainment, followed by a complimentary BBQ breakfast. Proceedings will commence at 8am. Then on Saturday, January 28, we will hold the traditional Jazz Picnic evening in the parkland behind the Hall. The U Bouddi Big Band will be pleased to join us again at Wagstaffe, from 6pm. We hope you can join us for these events as a great bookend to the summer holiday season.

New Publication is Now on the Web - BOUDDI BIOS

BOUDDI BIOS has now joined *BOUDDI STORIES* and *BOUDDI ARTISTS* on the website of the Bouddi Society - www.bouddisociety.org.au

Originally produced on a CD-ROM, an outcome of the Bouddi History Project 2007 - 2010, our most comprehensive history is now available online and should provide enjoyable Holiday Reading.

BOUDDI BIOS consists of nearly 100 stories about families and individuals who have contributed to the wonderful community spirit we have on our peninsula. I am sure you will know at least one or three and heard of others.

Beverley Runcie - Vale

Beverley was a valued member of our local Book Club. She was a gentle, caring person, meaning she was gracious, good-hearted and kind.

She had a warm and unassuming nature that, unsuccessfully, belied a formidable intellect, shown in her passionate interests in history and literature and particularly poetry. Her book selections were always great choices and her contributions thoughtful; the depth of the research of her subject was always profound. She always seemed to have interesting background information which made her very well read. She loved books and was so learned concerning the books we read and about all sorts of subjects, and so generous with her time and expertise in leading our book club, an absolute stalwart of our group.!

Beverley was a lovely person; she had a generous, humble and kind personality and a lovely sense of humour in her own quiet way. And a rich laugh. We remember her as a treasure, and she is sadly missed.

Presidents Notes December 2022

The Community Association continues to be very active in advocacy for improvements to our local amenity, most notably roads, parking, pedestrian safety, parkland and telecommunications. We are hopeful that the candidates for Terrigal in the upcoming State Election in March will be mindful of the needs and interests of this part of the Central Coast and the focus required in funding for these improvements. This would largely need to come via Central Coast Council, so our challenge is making needs known via Council and encouragement of State political candidates to support doing something about it. You may care to write to the candidates yourselves over the next few months to make them aware of the improvements you see as being most important.

On community matters, we were pleased to see the community response to the recent Book Fair in Wagstaffe Hall – so thank you to all those who donated and to those who worked so hard to make the event a success. It is clear from the volume and quality of donations that this event should remain distinct from the Easter Trash & Treasure event so that we can make each a success in its own right.

FLANNEL FLOWERS - in Spring on the Flannel Flower Track

Talking Turkey often includes a photo taken by keen photographer and lover of our bush, Ian Bull. Here we have another and he tells us he had to lie on his side in a very awkward position to take this one. A great effort and result.

WELL DONE TONY!

Tony Bell from the KSLSC participated in the Bouddi Coastal Run on the 12th of November and placed 2nd in his age group. He then followed up his great effort with a full day of patrolling! Well done to Tony and to everyone else who participated on the day. Big thankyou also to all of our Patrol members and volunteers for assisting.
