Volunteer FAQs:

Are you a "Real" Fire Fighter?

Yes! Check out our Facebook page for information on the incidents we attend, including Bush Fires, House Fires, Illegal Fires, Hazard Reductions and assisting our fellow Emergency Services just to name a few.

I'd love to help, but I work full time?

So do we! Our members are from all types of careers. We train on a Wednesday evening and you decide when you're available.

Are you on a roster?

No. We get notified via an app and it's as simple as pressing Green (I'm on the way) or Red (Sorry, I can't attend). We have planned events also.

I'm not sure I'm cut out to be a Fire Fighter?

Killcare / Wagstaffe RFB relies on a team of dedicated women and men who fulfil a range of important roles including: Fire

**Presidents Notes****Australia Day at Wagstaffe**

As I write this we have just concluded our Australia Day function at Wagstaffe Hall. This was a very well attended event held in the garden area behind the Hall, using the veranda as our stage. Flags were raised by the new PBPS Captains Flora and Fletcher on temporary poles behind the Hall, Bouddi Foundation for the Arts Award winner Jacinta-Rose Burley sang and signed beautifully for us and we had insightful and enjoyable addresses from Aunty Diane O'Brien and Ian Frost and once again Ken Tough recited – this time an old favourite poem for us.

The Killcare RFB cooked for us and our WTKCA volunteers catered, set up and served the multitude. A very special thanks to our volunteers led by Noelene Brasch on catering, and several others on the simple logistics of setting up and clearing up the site.

We collected donations for our Firies both in cash and through a card terminal and have been able to donate over \$882 to them as a result. Thank you to all who were so generous in donation. The leftover food, patties, bread and orange juice went to Mary Macs at Woy Woy.

And a special thank-you to our community for sharing the morning with us. This was a community event with no outside support, and we are pleased it was enjoyed by those attending on such a lovely morning.

The Association is well and truly back in harness for 2023 and we will continue to press for improvements to community amenity both through Council and the State Government. In the meantime, please continue to support the various services, eateries and watering holes in our neck of the woods over summer. It is great to see everyone back up to speed.

Australia Day at Wagstaffe

The feedback from attendees has been very positive. The new site was very much appreciated.

Having shade was a bonus.

Here is what Karen Adler said:

From a soft, hazy dawn and a beautiful day, to people helping each other recognise Australia Day/Invasion Day with respect and inclusiveness and generosity of spirit, how good is that. And thanks Aunty Di for broaching the divide that needs to be acknowledged with sensitivity and intelligence.

Karen took photographs to remember the day. Two are on Page 1.
